The New Hampshire Public Health Association (NHPHA) announced that it has welcomed April Mottram, RPh, former North Country Health Consortium Center Director for the Northern New Hampshire Area Health Education Center, Director of the North Country Public Health Network, and Executive Director for the Region 7 Integrated Delivery Network as its new Executive Director.

Ms. Mottram earned a Pharmacy degree from the Massachusetts College of Pharmacy in Boston, Massachusetts. Through her work with the North Country Health Consortium, Ms. Mottram focused on healthcare workforce development and education, integration of behavioral health and primary care, emergency preparedness, public health initiatives, grant writing and grant management. Ms. Mottram has 20 years of experience working as a pharmacist in a variety of settings including retail, hospital and a 340B pharmacy within a Federally Qualified Health Center. Additionally, she owned and operated an independent retail pharmacy. As a native of NH, with 30 years of experience in healthcare and the public health field, it brings her great joy to take on this new role to support the health and wellness of every Granite Stater.

About NHPHA

NHPHA is a statewide membership organization composed of health care and public health professionals. For over 25 years, it has brought together members who share a common goal of making sure that all of New Hampshire citizens live, learn, work, and play in safe and healthy environments.
